

OPEN ENROLLMENT INFORMATION

Check out the Important information about your benefits enrollment for 2024-2025

NEW MEDICAL PLAN DESIGN

There are two new medical plans from Curative an EPO and PPO plan. Both plans will provide employees with a \$0 copay for all in-network benefits with the completion of the Baseline Visit. Please scan the QR code to learn more.

NEW 1800 MD PLANS

We are pleased to introduce a new benefit available this year: 1800MD. 1800MD is a national telehealth company specializing in convenient, quality medical care. With board-certified physician in all 50 states, those in need can obtain diagnosis, treatment and a prescription, when necessary, through the convenience of a telephone and digital communications.

ONLINE OPEN ENROLLMENT

Online enrollment will be available for these days. We highly recommend that you review the plan summaries available on your school's benefit website. You can access your school's benefit website by either scanning the QR Code or clicking the link below. Here you will find instructions on how to enroll online.
